Dave King's Observations from Judging at the SDC Fair Photo contest:

Dave King's "must-read" observations on the SDC Fair Photo Contest judging is wisdom for more than just photo contest entrants - - Dave teaches Photography at San Diego City College, and eloquently makes the same observations I had as a Judge in the same contest - with a healthy dose of much-appreciated "tough-love" to boot! – **By the way, you can access these posts from my website under "Free Stuff" -> "SDC Fair FAQ's", near the bottom of the page:**

- **Cropping**
- **HDR Abuses**
- **Sunsets**
- **Category Choice**
- **Horizons**
- **Editing**
- **Focus**
- **Existing / Common images**
- **Composition**
- **Print Quality**
- **Exposure**
- **Over-Sharpening / Over-Saturation**
